Thursday 3rd September 2020

Dear Parents and Carers,

What a fantastic first day back it has been as we welcomed all the children back. The school was full once again with smiles, laughter and a readiness from the children to show their new teachers what superstars they are. We have been incredibly proud of how the children have come back into school and it is as if they have never been away. I hope that they have come back home chatting about the day and what they have been doing.

As with all plans, we have made some adjustments based on how things went today to ensure that children, staff and parents are safe and following the guidance.

Updates to procedures

- Year 4, Year 5 and Year 6 children can make their own way into school from the playground gates if you would like them to. This will save you having to come onto the playground.
- Siblings can be dropped off at the same time using the allocated doors – there will be no need to go off the playground and return at a later time.
- Please use Dojo, email and telephone to communicate with class teachers.
- The timings are there to reduce the number of people on site, so please try to arrive at your child's time where possible.
- Unfortunately, with the restrictions and guidance that is in place we are not able to give out any birthday treats like before, however the children can still wear their own clothes on their birthday.
- Most importantly, please could I strongly remind **all parents to observe and maintain social distancing when coming onto the school site for yourselves and others**. The systems are in place within school to keep the children and staff safe but it is vital that we all observe social distancing when dropping off and picking up.

We will be reviewing the risk assessment and procedures daily as the term progresses but can I thank you in advance for your support and understanding. Please keep referring to Dojo and the school website for updates.

Kind regards,

Mr Dominic Simpson
Headteacher
