Wednesday 8<sup>th</sup> July 2020

Dear Parents/Carers,

## Arrangements for September 2020

In line with the recent Government guidance on re-opening schools full-time in September, it is our intention to open for all pupils on Thursday 3<sup>rd</sup> September.

We will be following the health and safety guidance very carefully in school and will of course update our risk assessment. Having offered provision for Year 1, Year 6 and Key-worker children prior to the summer holiday, we feel that we have systems in place that will be readily adapted to invite all children back full time in September. The finer details around this will be shared with you next week.

Some key information from the guidance includes:

- All children are to attend school full time from September
- Regular handwashing and personal hygiene will continue to be of paramount importance
- Encouraging children to sneeze or cough into a tissue or your sleeve (Catch it, bin it, kill it)
- Children not to attend school if they have a temperature, cough, loss of taste or smell
- Parents not to drop children at school if they themselves have coronavirus symptoms
- Staggered drop off and collection times and break and lunchtimes
- Parents will be asked to use the one-way system to enter and exit the school grounds
- Parents will need to follow social distancing rules and must not congregate by the school gates
- Parents will only be able to attend school if they have booked an appointment
- Children will sit in class forward-facing and teaching staff will be asked to try their best to stay 2m from children
- There will be no assemblies or large school gatherings or events.
- Bubbles will be class bubbles.

**School Uniform:** We will be returning to our expectations for all pupils to wear school uniform from September.

**Breakfast and After School Club:** We are looking into how we can offer this provision and support class bubbles but will have the information to you shortly.

Thank you for your continued support  
Mr Dominic Simpson  
Headteacher
